You will come to the competition upload page. Please be sure to select your correct grade. The software won't allow you to upload to two different grades. You will be told you can enter up to 2 images in your particular grade. And at the bottom asked if you want to enter (x) grade? If you have selected the correct grade, click NEXT. If not, click BACK and select your correct grade.

You will then be navigated to a final page thanking you for your entry.

You do not need to enter all your images at once, just go back into the website and select the month you wish to add entries to. Or even enter future competitions.

Any questions you can email the Competition Officer at gcc.comp.officer@gmail.com
